

“Cut, excellent shot. Good job people. Congratulations, we have completed our movie. Tonight party at my place. Zeenat don’t you dare forget to bring along my li’l baby girl Iha.”

“Sure I’ll bring her along. How can I forget her? She is my better half. Cya people we’ll meet tomorrow. Can’t wait to go home and talk to Iha.”

“Finally I’ll have all the time to spend with Iha after long time,” Zeenat thought to herself on the way back to her home.

She was glad to reach home before Iha. She wanted to give her a warm welcome. She quickly changes into her favourite shorts and t-shirt. Suddenly she hears buzz of the door and rushes to meet her soul mate.

“Hi sis how was your last shoot?”

“How was your last exam?”

“First you tell.”

“No you tell. Your exam was more important.”

“Both of you stop shouting. Sit quietly and talk about it,” called out their father.

“Okay dad,” both replied.

“My exam went well. I think I’ll score around 80’s overall.”

“Oh that is some wonderful news. My shoot was excellent. Movie is finally made and guess what we have a party to-night. We have 2 reasons to party today.”

“How wonderful! But I don’t have any new clothes Zeenat. What am I gonna wear today?”

“Don’t you fret about that. I have everything you’ll need for the party.”

Zeenat shows Iha the dress she had bought for Iha. It was a Prada’s black off shoulder knee length dress which flowed just above the knee. To match with the dress Zeenat had also bought Jimmy Choo’s stilettos for Iha.

“Omg! It’s so beautiful. Thank you, thank you, thank you so much for all this.”

“I’m glad that you liked it. Let’s decide what I should wear for tonight. I even need manicure appointment.”

Both the sisters plan out their evening. They go to the salon get ready for the party.

They reach at party. Many people had gathered around. Flash! Click! Click! Flash! Every fashion reporter was present there to see the celebs. One by one the cast and crew

members started to arrive. Some dressed gorgeously in long elegant party gowns while some dressed in classy designer suits while some dressed disastrously as always.

“Here comes our dynamic duo, Zeenat and Iha,” exclaimed the director.

Zeenat steps out from her sleek black Audi A8. Everyone stared in awe at her. She looked like a diva in white sleeveless, mini, off shoulder, knitted sheath dress. To compliment her dress she had Gucci’s black beaded clutch and pair of white Manolos. Behind her stepped out Iha, looking cute in Prada’s black off shoulder knee length dress which flowed just above the knee and Jimmy Choo’s black stilettos. Some fans present screamed their names as the duo entered the party. The sisters hugged their friends and started to gossip and enjoy the party.

Everybody is dancing and enjoying then suddenly Iha comes with a drink in her hand. Zeenat gets angry on her as she didn’t like Iha to drink alcohol as she was not yet 21. She scolds Iha for her carelessness. She explains Iha that if some reporters saw that she was drinking at age of 20 she can get into trouble. Iha nods silently in shame and apologizes. When they were talking a tall, handsome guy in his mid- twenties dressed smartly in khakhi jeans and blue shirt comes to talk with Zeenat. He was a struggling actor. His name was Ayudh. He wanted Zeenat to help him to get a film by recommending him. Iha liked him at first sight but Zeenat thought differently about him. She disliked him and refused to help him. She not only refused but also insulted him in front of everyone. Zeenat was in bad mood due to incident with Iha and her frustration came out also on Ayudh. Zeenat leaves Ayudh and Iha standing alone. Ayudh storms out of the party and goes to the porch for fresh air. Iha follows him.

“Hey, I’m Iha. I’m sorry for my sister’s behaviour. She was just angry on me and she didn’t really mean what she said inside. She is really nice. I hope you understand. I’m really sorry on her behalf.”

“Hi. I’m Ayudh. Its ok don’t be sorry. Maybe it was my fault that I interrupted at wrong time. Look I’ve got to go. See u later. Bye “

Ayudh leaves in anger but does not show it on his face. He plans to take revenge on Zeenat. Iha joins the party, where she hears that she had an offer of a role in new movie. Not only that but even Zeenat was going to be in same movie. She gets excited as it was going to be their first movie together and they were going to have lots of fun. They reach home and tell their dad about it, who is equally proud and happy for the sisters’ success.

The movie’s shooting was to start in a month. Now that Iha was free from her studies she joins a fitness center to get in proper shape. She was not as beautiful and slim as Zeenat. She had put on some weight lately. She wanted to look perfect in her first movie. In the mean time she also got another offer for an advertisement. It was a lingerie ad which would be shot in Switzerland. Iha asks about it to her father and Zeenat. They refuse at once.

“But why can’t I go for it?” asks Iha.

“Even Di goes for international shoots. I want to go as well.”

“Iha you are new to the profession. You just had 1-2 ads. You are not much experienced and the ad film director is well known for his bad reputation and intention,” explained her sister.

“No more arguments. Its final. You are not going to accept that offer,” said the girls’ father.

At night the girls go out for dinner with their common friends. At the dinner table they talked about everything and anything. Just like typical gossip girls they talked from famous shopping places to the latest fashion trends. From the loveliest lipstick to the worst dressed up person at yesterday’s party. From the hottest dating couple to the cutest single guys. Each one was telling about their crush. Even Iha expressed that she had developed small crush on Ayudh. Upon hearing it Zeenat tells her that he is not a nice person. He is selfish and just knows how to use people for getting fame and achieve his dream. Iha could not believe that he would be this kind of person. But she lets go of the topic.

Next day Zeenat goes for her shoot in Amsterdam. Iha gets furious about the fact that she cannot go but Zeenat who was just one year older to her was allowed to go. She takes her things and goes out for a stroll and coffee. While she was sitting at Starbucks sipping her latte and reading Wuthering Heights she catches glimpse of Ayudh. He looks in her direction and waves. He joins her. She gets delighted to meet him again. At first she remembers what Zeenat had told her about him. But she ignores it and listens to her heart. Partly she also ignores it because she was angry on Zeenat for not allowing her to go to Switzerland. They sit and talk for hours. They even go for a walk in park and have dinner together. She lies to her father and tells him that she is at one of her friend’s place. Finally it was time to go home. Both of them didn’t feel like leaving each other. They exchange their numbers and plan to meet again tomorrow.

Zeenat was away for 18days. Ayudh and Iha met every day. Both had fallen in love with each other. They were in relationship now but it was secret. Nobody knew about it. Even after Zeenat came they used to meet secretly. Nobody doubted anything.

Now it was time for shooting of the movie. Both sisters were excited. Iha had forgotten about her anger on Zeenat. They started rehearsing their dialogues together at home. Zeenat would advise Iha to improve wherever needed. On the day of shoots Iha started noticing that Zeenat was given more attention. She felt bad about it. She talked about the matter to her boyfriend. Instead of consoling her he added wood to the fire. He said that it was always like that from the start she realized it now. She saw the real face of her sister now which was mean and selfish. Iha scolded Ayudh for speaking bad about her sister. She was attached to her sister a lot. In the film industry their stories of sisterhood were famous. Everyone was envy of their bond. But slowly that bond had started to grow weak. Now and then there would be fights and Iha started having suspicion about her sister’s real

intentions. Ayudh would daily speak bad about Zeenat. Even after trying to ignore a lot Iha started noticing her sister's behaviour at the shooting sets. She started getting second thoughts about what Ayudh said. Now she was totally poisoned by evil thoughts and feeling of hatred towards her sister. Now she no longer can bear the thoughts of being looked down than her sister. She no longer can stand to the idea that she was not known as Iha but rather known as Zeenat's sister. She wanted fame and her own identity. But Ayudh pointed out that she can't get famous unless they remove the obstacle from their path which was Zeenat. She agrees to him and start to plan her sister's downfall.

After few months there was a fashion show where Zeenat was the show stopper. It was a big show in Milan. All the famous and well known people were going to be present in the show. This was the best opportunity for Iha to work out her devilish plan. On the day of the show after the final rehearsal Iha takes Zeenat's dress and gets it replaced by a dress which looked exactly as the original dress but had slight change internally. Zeenat does not notice any changes. She gets ready for the ramp walk. Just as she made her entry and was half way on the ramp due to malfunctioning in the dress the halter neck dress opens up and falls. Everyone gasp in horror. Zeenat gets shocked and horrified. Paparazzi was clicking photographs and she tried to cover her exposed body. She pulled the top up and tried to go back stage with as much dignity possible. She collapsed on the floor backstage. Someone covered her and tried to calm her as she had started crying. Iha came running to her side and consoled her. She indeed was an excellent actress. Nobody could tell that she was pretending. Although she was sad from the outside she was having her own victory dance inside with a wicked smile.

Next day every newspaper, magazine and news channel only had pictures of the malfunctioning incident at the fashion show. She got very bad reputation. Media started to spread rumours that it was a publicity stunt. Zeenat was so broken that she stopped going outside. She even didn't go to shoots. Director replaced the lead heroine. Zeenat was replaced by Iha. Iha was very happy. She had now what she wanted. Slowly she got very famous. She even helped Ayudh to get successful. He was no longer a struggling actor. Even after getting fame Iha was not satisfied. She feared that Zeenat might rise back to fame. To ensure that it won't happen she had one last step to fulfil. She planned to send her to jail forever so that she won't be a threat to her ever again.

One day she took Zeenat to a party where she mixed drugs in her drink. While they were in party Ayudh planted packets of drugs in Zeenat's car. Zeenat was now drunk as well as drugged. She insisted on going to home herself. Iha said no but still Zeenat sneaked out and took the car. After a while Iha gets a call from police station. Iha rushes to police station. The police had caught Zeenat drunk and driving. On checking her car they also found packets of cocaine in the car which were planted by Ayudh. Zeenat was arrested and was sentenced jail for 20years. Her father was shattered as his eldest daughter went to jail. On the other hand Iha was on cloud 9. Now she was happy. She had everything. Fame, money and love.

Just as things had started to fall in places one day Iha's dad went in her room. There he found conversations and other evidence proving that she had a hand in all the things happening to Zeenat. He gets enraged and calls Iha home immediately. Just as Iha comes home she goes on terrace to meet her dad who was waiting for her and drinking whiskey. He confronts her with everything. She gets scared but admits that everything was planned by her. Her dad was drunk and could not keep his balance. Taking advantage of the situation Iha pushes him off the edge and he falls down from the terrace. He dies instantly. Iha goes downstairs and pretends that nothing has happened. After few hours someone notices the body and calls the police. Forensic experts arrive at the spot. Iha had no relatives close enough to come to her therefore Zeenat's agent Mr. Khan arrives. He takes the charge of the possessions found in the clothes of the corpse and arranges for the funeral. Headlines were that depressed dad got drunk and fell from the terrace causing death.

After few weeks passed Iha had organized a huge party at her home for the success of her movie. Her friends and famous celebrity were gathered at her place. Just as she was enjoying the party she felt as if she had heard her dad was calling out for her. She went in her room to freshen up. Just as she entered her room she shrieked and came running out of the room. Music stopped. She went to Ayudh and told him that there was blood splashed on her wall. He goes running to check but finds nothing. He calls out to Iha to come and see that there was nothing in the room. She sees nothing the second time but she keeps repeating and assuring that she had seen blood. Ayudh assures her that she must be dreaming and tells her to behave as people might start talking about her mental state. She calmed herself regained her self and joined everyone. From that day she started getting nightmares about murder and blood. She dreamt that she had blood on her hands and could not get all oceans to clean it nor could she get perfumes from all over the world could remove the smell of the blood.

These nightmares had started to haunt Iha. To make matters worse Mr Khan had found out about the things Iha had done to Zeenat and her father. Although she had destroyed the evidence her father had recorded their conversation on terrace on his cell phone and even had copies of the proof hidden secretly. Mr Khan had all the proof and evidence which helped Zeenat to get release from the jail. All the property was restored to Zeenat and before police could come to arrest Iha, she commits suicide. She leaves a sorry note for Zeenat asking her to forgive her. Iha finally realize that Zeenat was right about Ayudh. After he became famous and Iha started getting nightmares he dumped her for another girl. Iha was now guilty for every bad deed done by her. So before she gets arrested she drinks poison and commits suicide. Ayudh gets caught and is sentenced to death. Zeenat is free but has no family. She quits film industry and flies to UK and starts her new life with no traces of previous lifestyle or the people.
